

See these cocrection gorge told me thse one he want other picture as project main photo

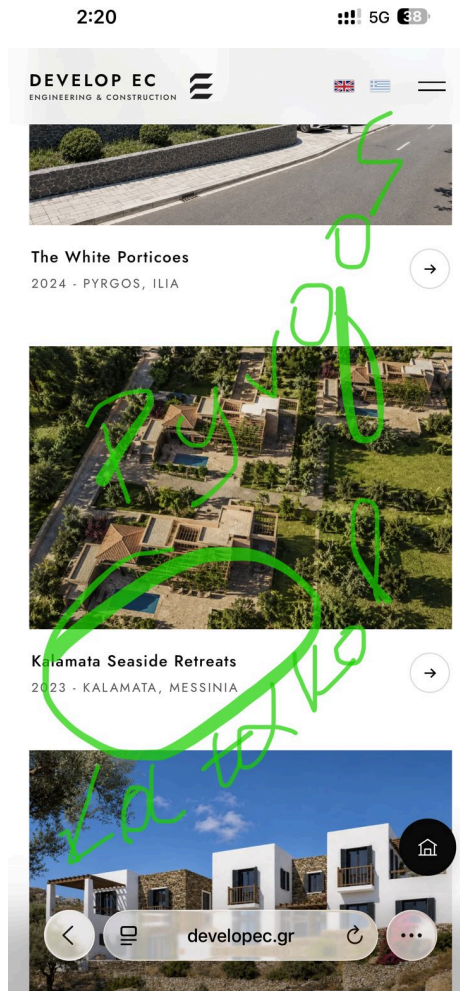

so use these one as her photo

Okay next correction

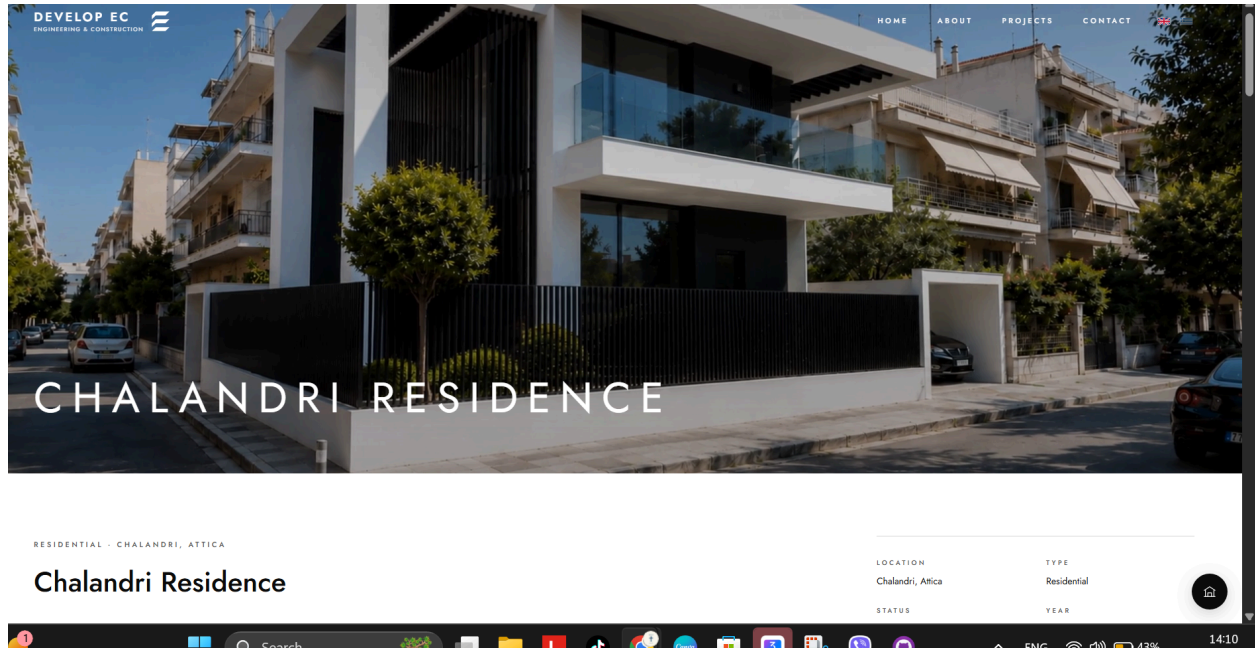

Its pyrgos not kamlata

Next correction

Make both team position from archbtechure to civil engineer
And last convection i changed

And for chalndri resdcen see

What i change i chage two image and one video because of rhe angle was right so replace bt today pushed in the same folder photo and video
